Bud: I will buy a car so not to have to walk anymore!
Dennis: And you Rex?
Rex: I will buy a big bed for resting in…
Bud & Rex: And you, brother?
Dennis: I will build my own house.
Bud: What for? We already have a house.
Dennis: This is Mum’s house, I want my own house.
Bud & Rex: Can we go with you? Please, please!!!
Dennis: I don’t know. Ok. Let’s try. Can you take the trash out?
Bud & Rex: Oh! No, no…
Dennis: You see? I have to do all the work. I’m sorry but you cannot live with me.
Bud: Ok then…I will build my own house too.
Rex: Ok…Me too…
THE HARDEST BRICKS

I want to make a very strong house
A very, very strong house
Brick by brick I want to build
A very, very strong house

I make a house of golden straw
So I don’t need to work

I use some little sticks
Working is not for me

Golden straw
Some little sticks
The hardest bricks

The hardest bricks
I’ll make a beautiful house

I like to sleep I like to dance
But I don’t like to work
Yes, it’s a boring thing
I’ll make my house out of bricks

Golden straw
Some little sticks
The hardest bricks
I’ll make a beautiful house

_Dennis closes the house, music, and the scenery changes to a landscape of forest (with a river, forest and mountains in the distance)._ 

_Dennis:_ Ok! I will build my house on the mountains. Goodbye brothers!!

_Bud & Rex:_ Bye!!! We will miss you!

_Bud:_ Where will you build your house?

_Rex:_ Among the trees. And you?

_Bud:_ Near the river.

_Bud:_ I’ll miss you, Rex.

_Rex:_ Me too.

_Bud:_ Goodbye!

_Dennis:_ See you soon!

_The three little pigs leave the stage._
